TRADING, CONTRACTING & INDUSTRY

## Greetings from Tamimi

Fahad S. Al-Tamimi & Partners Company (referred as TAMIMI) is a 100 percent Saudi owned company and is one of the leading business organizations for Cranes and Heavy Equipment Rental Services established in the Eastern Province of Saudi Arabia.

The company was formed in the year 1978 and has provided various contracted services to SABIC, SECO, SAUDI ARAMCO and other major national and international companies. TAMIMI is still providing such services in a professional manner. Operating at present from our Head Office in Ras Tanura, the company can undertake contracts/projects at any location within the Kingdom. Our branch offices are situated at Jubail, Dammam-2, Al-Hasa, Riyadh and Yanbu, in very close proximity to the respective Industrial Cities.

Our Heavy Equipment Rental Services has proven track record of supplying cranes and other equipments to various local and international contractors through a large fleet of cranes, mobile and stationary equipments as well as qualified and professional manpower. With the addition of new cranes, electric and diesel forklift, man-lift, tele-handler, wheel loader and skid loader during the last 18 months. TAMIMI is continuing to expand its crane and heavy equipment fleet. More orders have been placed for number of quality units to meet the increasing demands of our clientele. With more than thirty five years of business, we can mobilize the necessary equipment and manpower in a short period of time. Heavy equipment rental personnel are vastly experienced, especially on the safe use of cranes & all other equipments.

The maintenance and repair works are carried out by a team of qualified and experienced technicians at our fully equipped workshop facilities in Ras Tanura, Jubail, Dammam-2, Al-Hasa, Riyadh and Yanbu. The company's top rated equipments are well maintained and regularly inspected by reputed third party agencies and TAMIMI's operators hold valid S.A.G. License and Third Party Certification.

TAMIMI maintains a high standard of safety and hygiene. Our Health, Safety & Environment team members are dedicated and ensure safety compliance by way of conducting Toolbox Talks, Weekly Refresher Meetings and Monthly Safety Meetings. Safety audits are conducted frequently and corrective actions are enforced when non-conformities are recorded. All employees have been trained on the contents of our in-house developed HSE program.

The company is ISO 9001-2008 certified and the Quality Management System in place to provide rental services of heavy equipment of outstanding quality in line with client's requirement and regulatory quality and safety standards. Qualified personnel are striving for continual improvement.

We are in a position to provide you with a very competitive proposal, dependant on your individual requirements. I would like to extend my personal assurance that you will receive the best customer service in the field, both from our Head Office in Ras Tanura and our branch offices in Jubail, Dammam-2, Al-Hasa, Riyadh and Yanbu.

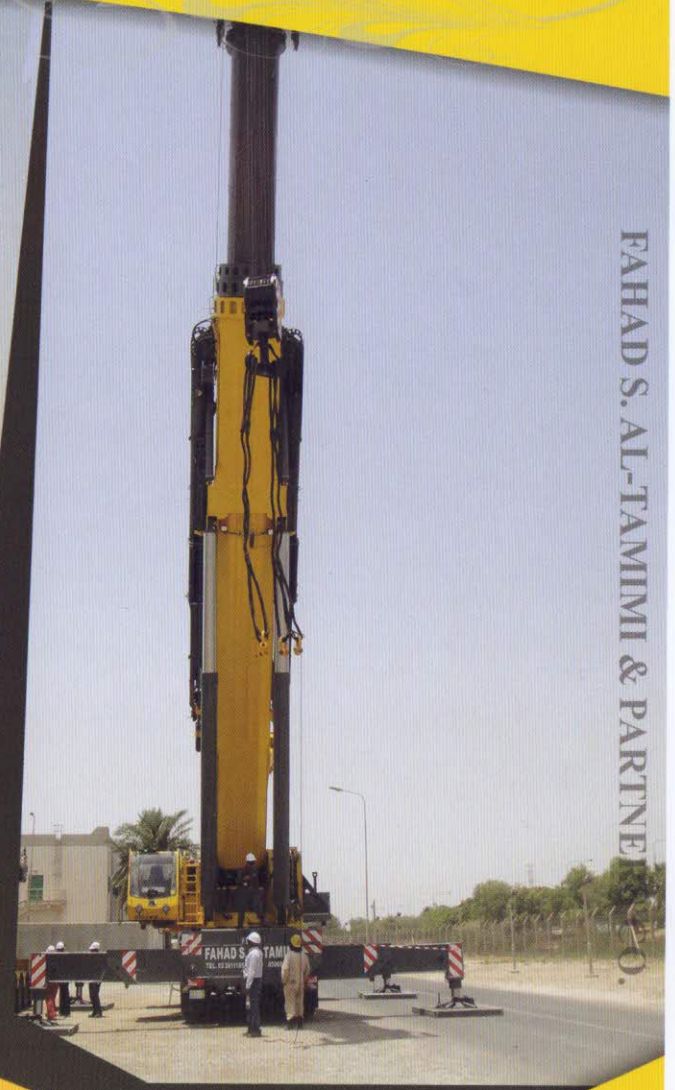

We look forward to being to service to you.

Regards,

MOHAMMED FAHAD S. AL-TAMIMI
